Hi Mike - I have been checking around. Discussion typically comes to the question of how many work hours are involved. Are you able to estimate? Would 16-24 hours be a reasonable estimate?

Subject: Yakima Groundwater: Third Party Reviewers

Roseanne,

(b) (6)

I was checking if you had a chance to see if anyone from ORD maybe interested in participating in a third party review for the Yakima Report?

One person I was thinking of was Jana Compton, but maybe she could be an additional reviewer.

Thanks.
